Dear parents, carers and children

Well, it has been another busy week in school! The end of term is fast approaching.

It has been lovely to see all the children in their football team colours today. We have had children and staff wearing white, red, pink, green, blue - the list goes on.... Apologies for the short notice about the Football Day, it was a spontaneous decision in response to the excitement the children were showing. I hope they have all enjoyed the day and thank you for supporting it.

Early next week I will be issuing the Changes Newsletter detailing any changes to staffing or curriculum from September. Following this, on Friday you will receive via email your child's Annual Report. The report will include details of their new class and teacher. Please be aware that we have 474 individual emails to send so it will take some time. It isn't possible to send all these simultaneously so some families will receive the information before others. If you have recently changed your email address, would you please inform the school office so the report can be sent to the correct address. The same as last year, the reports will be sent to the Priority 1 contact only. For children who have shared parenting arrangements and a second report will also be required, please contact the school office before Thursday.

Have a great weekend.

Best wishes

Mrs Buckton
Headteacher

Covid-19 Reminders

Please remember the Covid-19 testing requirements:

- Anyone who has Covid-19 symptoms must take a full PCR test at a testing centre or by requesting a home testing kit (this is not the LFT Lateral Flow Test which can be routinely taken at home). If you have taken a LFT and it is negative, you must still arrange a full PCR test if you have symptoms.
- If you take a LFT and have a positive result, you must self isolate at home and arrange a full PCR test, even if you have no symptoms. The whole household, support bubble and anyone you have had close contact with in the previous 48 hours, must also self-isolate at home awaiting the PCR test result. If the PCR test result is positive the self isolation period will be notified by NHS Track and Trace. If the PCR test result is negative, you, your household, support bubble and contacts can end self isolation.
- School need to see a positive PCR test result, or the NHS Track and Trace notification for your child, to authorise a self isolation absence from school.
- If children have Covid-19 symptoms themselves, school need to see their negative PCR test result before they can return to school.
- Screenshots of test results, and / or NHS Track and Trace notifications, can be emailed to office@guiseleyprimary.org
