Covid-19 Reminders

Please remember the Covid-19 testing requirements:

- Anyone who has Covid-19 symptoms must take a full PCR test at a testing centre or by requesting a home testing kit (this is not the LFT Lateral Flow Test which can be routinely taken at home). If you have taken a LFT and it is negative, you must still arrange a full PCR test if you have symptoms.
- If you take a LFT and have a positive result, you must self isolate at home and arrange a full PCR test, even if you have no symptoms. The whole household, support bubble and anyone you have had close contact with in the previous 48 hours, must also self-isolate at home awaiting the PCR test result. If the PCR test result is positive the self isolation period will be notified by NHS Track and Trace. If the PCR test result is negative, you, your household, support bubble and contacts can end self isolation.
- School need to see a positive PCR test result, or the NHS Track and Trace notification for your child, to authorise a self isolation absence from school.
- If children have Covid-19 symptoms themselves, school need to see their negative PCR test result before they can return to school.
- Screenshots of test results, and / or NHS Track and Trace notifications, can be emailed to office@guiseleyprimary.org
